

## Sponge Bob Summary:

Sandy Cheeks is a squirrel who wears a space suit to breath air under the sea. She likes to build things and drives to dry land in her plane. Next, Sponge Bob is a sponge and people use him to clean. He says "ahhhhhh." He likes to go jelly fishing. He is the main character of the TV show. Squidward is a bad guy. He likes to get Sponge Bob and Patrick out of his house when they try to capture him. Mr. Crabs loves money. He tries to get money out of peoples wallets through sniffing it in his nose. He tries to make lots of money by selling things like bubbles and crabby patties. He works at Crusty Crabs restaurant. Last, Patrick is pink and he lives in a sand igloo. He likes to catch jelly fish with his friend Sponge Bob. I think people should watch this show because it is very funny and cute. My favorite part is that Sponge Bob always laughs about everything.
